

The Wandell School Preschool Program

The Wandell Preschool Program

is an inclusive program. It is designed to provide an intellectual, social, physical and nurturing environment. Resident Preschool students make a smooth transition into our Kindergarten Program.

Non-residents are welcome and encouraged to apply.

Class size is limited.

*Contact us to
schedule a
tour.*

Children must be three or four years old and fully toilet trained by September 1, 2022.

Enrollment is for both residents as well as non-residents on a first-come, first-serve basis.

We make learning fun through an age appropriate and engaging curriculum that is based on the NJDOE Preschool Teaching and Learning Standards and delivered by NJDOE certified teachers.

We foster self-confidence and develop presentation skills in our preschool children through their performances in plays and concerts.

All students receive enrichment instruction, included in the tuition, by NJDOE certified teachers in the following disciplines:

- ⇒ Music*
- ⇒ Art*
- ⇒ Physical Education*
- ⇒ World Language*
- ⇒ iSTEAM (Technology)*
- ⇒ Library*

We stimulate children's natural curiosity and promote intellectual growth in our new iSTEAM lab and enhance their physical skills in our 4,800 square foot gymnasium and dedicated outdoor preschool playground.

We have a full-time Certified School Nurse on Staff.

Preschool Schedule and
Tuition Rates
2022-2023
