Children must be three or four years old by October 1, 2019.

Open enrollment throughout the school year.

We offer a flexible schedule, as well as after care.

We make learning fun through an age appropriate and engaging curriculum that is based on the NJDOE Preschool Teaching and Learning Standards and delivered by NJDOE certified teachers.

We foster self-confidence and develop presentation skills in our preschool children through their performances in plays and concerts.

All students receive enrichment instruction, included in the tuition, by NJDOE certified teachers in the following disciplines:

- ⇒ Music*
- ⇒ Art*
- ⇒ Physical Education*
- ⇒ World Language*
- ⇒ STEAM (Technology)*
- ⇒ Library/Media*

We stimulate children's natural curiosity and promote intellectual growth in our new STEAM lab and enhance their physical skills in our 4,800 square foot gymnasium and dedicated outdoor preschool playground.

We have a full-time Certified School Nurse on Staff.

Hot school lunch is available.
