**SADDLE RIVER SCHOOL DISTRICT**

May 2014

Dear Parents/Guardians:

The Saddle River School District is considering the institution of Fee-Based Subscription Busing for Wandell School students for the 2014-2015 school year. Subscription Busing is transportation extended to students who do not meet the current Saddle River Board of Education eligibility requirements (less than 2 miles from the school). This transportation will be provided from currently existing bus stops by the Board when seats are available.

If this system is instituted for 2014-2015, students will be assigned seats on a first-come, first-served basis. Parents/guardians would complete an "Application for Subscription Busing" which will be date and time stamped. If demand exceeds available seats, the Board shall use a lottery system in determining which students can participate. Correctly completed applications must be received in the Board of Education office no later than the close of business hours on the deadline date as specified by the Board for the current school year.

Parents/guardians whose children receive subscription busing will pay a fee for subscription busing in accordance with the law.

**This survey should be completed and returned to the Board of Education offices no later than \_\_\_\_\_.**  
**The Board will then decide whether or not to pursue this initiative for \_\_\_\_\_.**  
(Insert school year)

Thank you for your cooperation.

Dear Board Members,

I would be interested in participating in Subscription Busing to Wandell School should it become available for the following school year. I understand that if this policy is instituted, and if seats become available, all students will be selected on a first-come, first-served basis.
