FACULTY/STAFF INTERNET USAGE AGREEMENT

I have read the Saddle River School District policies 4119.27/4219.27 Acceptable Use Policy covering appropriate use of the district technology and network and 4119.26/4219.26 Electronic Communications covering appropriate communication with student through the use of personal electronic devices and the Internet. I agree to follow the rules contained in these policies. I understand that if I violate the rules of the Acceptable Use Policy and/or the Electronic Communication Policy, my computer privileges may be suspended or revoked and I may be subject to disciplinary action. Some examples of these guidelines are:

1. Log on the network as yourself.
2. If you identify a security problem in the network, notify a network administrator immediately.
3. Refrain from wastefully using finite resources.
4. Physical or electronic tampering of computer resources is prohibited. Unauthorized access to resources is not permitted.
5. Respect all copyright laws. Plagiarism will not be tolerated.
6. Do not use computer resources for financial, commercial, or political purposes. Do not transmit, receive, or publish abusive, obscene, profane, prejudiced, defamatory, inaccurate, sexually oriented, threatening, or illegal information.
7. Electronic communication with students shall be confined to school related business.
