

## ***Wandell Recreation Art Club Fall (Artist)***

**Overview:**

During the Fall program, students will be introduced to three famous artists. Students will be able to gain a greater knowledge of Art History and recreate their own versions of masterpieces inspired by the famous artists. Students will be able to further develop their artistic talents and creativity. The program is designed to encourage students' confidence, enthusiasm and interest in art. Students will receive individual attention and conferences with the instructor. Students will experience becoming a real artist by inviting guests for the end of exhibition.
