

WANDELL RECREATION GAGA

Run by The GagaspHERE

Gaga is a game that has many names! Gaga, Gaga Ball, Ga-ga, Octo-ball. Whatever you call it – Gaga is a form of dodgeball that originated in Israel in the 1970s and spread when Israeli counselors brought the game to summer camps around the world.

Gaga is an excellent youth activity. Players start in a “pit”, an octagon shaped court, hitting and rolling the ball with their hand to eliminate other players. When players are hit below the waist, they are out-but players can always re-enter the game by catching a ball from the sidelines.
