

WANDELL RECREATION Newspaper Club

The Wandell Wolverines Newspaper Club is a fun and excellent way to foster your 4th or 5th grade child's interest in writing creatively, talking to people, and working with others. Participating students select a topic they wish to write about and publish in the school newspaper. While it is a topic of their choice, we encourage each student to focus on the Wandell community. There is always lots going on in the school that is worthy of sharing with students and families of Wandell. Story ideas may include interviews with new staff and students, writeups on current Wandell events, articles about the various student clubs and organizations, book reviews, and other wonderful news!
