RE: Election Day 2020 - Remote Education/School Building Closed

Dear Wandell School Family,

In a recent update from the Bergen County Superintendent, we were notified that school buildings must be closed to students, but staff may be in the building.

REMOTE INSTRUCTIONAL DAY

November 3, 2020

School Building Closed to Students

All Staff Will Report to the School Building to Deliver Remote Instruction

The school building will be closed for students and all staff/employees will report to the school building to deliver remote instruction. Students should log onto their classroom teacher's Google Classroom at 8:05am for attendance and then proceed throughout their day as scheduled. Elective teachers will deliver live remote instruction in students' regularly scheduled periods that day. We look forward to this remote learning opportunity. If you have any questions regarding remote instruction, please contact your child's teacher or Mrs. Hickey, Vice Principal.

Thank you for your continued collaboration and support this year. If you require any additional assistance, please do not hesitate to contact me.

Stay well,

Dr. Gina Cinotti
