Guidance Department

## Saddle River Family Night with Northern Highlands Regional High School

---

As you may know, Northern Highlands Regional High School offers many opportunities for both you and your family to become acquainted with our high school, which include our [Open House](#). It is our goal to provide you with the information necessary to fully grasp all that Northern Highlands has to offer.

In order to help clarify all the information related to the high school course selection and placement process, we will be holding a family night program for both students and parents. Students will have the opportunity to learn about what to expect in high school and how to choose their 9th grade electives.

Our program will run from 6:30pm until 7:30pm and will include a short presentation, leaving time for any questions.
