RE: Spring 2025 Parent/Teacher Conferences

Dear Parents/Guardians,

We are excited to host our Spring Parent/Teacher Conferences where each school day will have an **Early Dismissal at 12:27pm**. We ask that only parents are in attendance. The schedule is as follows:

Tuesday, March 11, 2025	1:30pm - 3:30pm
Wednesday, March 12, 2025	1:30pm-3:30pm
Thursday, March 13, 2025	6:30pm-8:30pm

**Additional Conference Times for Grades 4 & 5:
Tuesday/Wednesday/Thursday during school hours**

The purpose of these conferences is to share your child's performance, which can include reading levels, iReady scores, and other pertinent formative/summative assessments. Classroom teachers will discuss ways to support your child as they grow and learn.

We are pleased to announce a new, more efficient format for Spring conference scheduling for classroom teachers. You will receive a separate email from your child's teacher with a link to their Google scheduler for you to easily select your conference time. You will receive an email confirmation as well as a reminder one day prior to your meeting.

If you would like a conference with a Specials Teacher, School Nurse, Special Services, and/or Speech, please email them directly.

Please schedule your conference as soon as possible. **Conference scheduling will close 48 hours prior to the conference date**, after which time you should contact your classroom teacher directly.

We look forward to welcoming you into Wandell and collaborating on your child's education.

Sincerely,

Richard Freedman

Mr. Richard Freedman
Interim Superintendent/Principal
