

Welcome Wandell Parents, Students & Teachers:

We are delighted to be serving your child's lunches again this year! Our commitment is to provide the best quality, delivered hot to your school and most importantly, you know they will be eating! The menu will be the same as last year and we have not raised any prices!

You will log into ***Waldwickwhistlestop.boonli.com***, you will go to your school name, your password to get in and order will be **WS12**. To register put in your name, make sure you leave an email address for notices, make up a password and enter your credit card information that gets stored. We have NO access to any banking information. Go to the calendar, click on the day and order lunch. If you have more than one child, each child will have their own setup acct with their grade and teacher's name. Any questions, you can contact Boonli (650)350-1788 and they can walk you through it. PLEASE NOTE: All information from last year has been erased so you will have to register again this year.

You need to order BY 3:00pm the THURSDAY before the following week for lunches. We suggest you order by the month so it is done and over with, however, if you choose to go week to week that's fine too! There is a minimum order of \$10.00 per order or there is a \$1.00 charge.

If your child is out the day of a lunch, call the store (201)857-5177 BY 10am, the lunch will not go to school. It will be considered a "credit". Options are pick up the lunch at the store that day at your convenience and it will be hot at pick up OR we can schedule a day when you have not ordered yet!

We look forward to serving your school again! If you have any allergy, ingredient, special diet questions, please feel free to call the store and speak to Tami.

Looking forward to starting to serve your school on Tues. September 27th!
